EMPOWERING EDUCATION

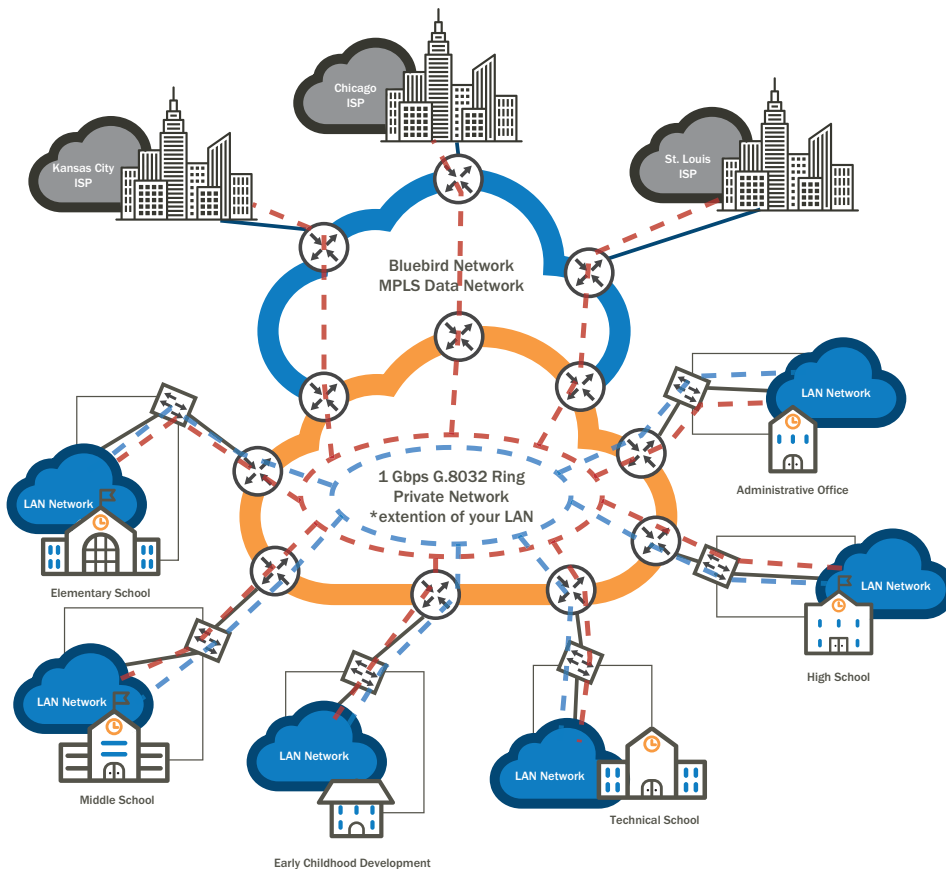

Access to quality education is the foundation of every community. With the rise of EdTech, it's more important now more than ever for educators and students to be equipped with a state-of-the-art network for a fully immersive learning experience.

Bluebird Network is an authorized E-Rate Service Provider. 498 ID/SPIN #143027882

HOW CAN WE HELP?

We work with school districts on fiber based e-learning infrastructures. Let Bluebird Network deliver the communication infrastructure you need, so you can focus on the education your students deserve.

ONE OF THE THINGS WE LOOKED FOR WHEN WE WERE LOOKING FOR HIGH SPEED SERVICE IS NOT ONLY THE INTERNET, BUT TRANSPORT TO OUR OTHER FACILITIES. BLUEBIRD ALLOWS A RURAL DISTRICT LIKE US TO COMPETE WITH ANY OTHER METROPOLITAN AREA.
